Brand New Thinking WINS MORE BUSINESS

Affordable Ideas You Can Use Now

The “well-kept secret” of luxury event planners...

Events with food and drinks help people bond with a brand. Luxury event planners know there's magic in making the most of napkins, cups and guest towels for creating a memorable brand experience. They make these essentials a key part of event design.

A custom imprinted, high-quality entertainment suite

A well-thought-out suite of luxury napkins, cups and guest towels is an affordable way to make guests feel special at every turn. The Paper Place offers you a way to help your client make the most of their event investment and build profitable sales for you.

Add value & profitable sales

We work with you to add real value for your customers. Think custom imprinted luxury napkins and guest towels complimenting the event's theme. Imagine personalized cups to rev up the fun of the specialty cocktail or appetizer bar.

Amp up your napkin pitch

When you include optional pricing for an entire entertainment suite, customers know you care enough to bring them new ideas. It can open the conversation and earn new business.
